# Ornamental Trees, Shrubs and Vines

For Planting in Nursery Rows

In presenting to you this list of young plants for planting in nursery rows, I want to call your attention to the large assortment I offer and assure you the plants are in every way first class. They are well rooted and vigorous-Just the kind of plants that will transplant most successfully and give you the best growth after planting.

All plants are of good size in accordance with their age and character of growth. They will satisfy you I am sure and I stand ready to take back any plants that are not entirely satisfactory.

## THOMAS J. LANE Dresher, Penna.

#### TERMS

No less than ten plants of any variety sold. Twenfy-live of any variety at the rate quoted per hundred, and two hundred and fifty at the thousand rate. Prices net. Packing charged extra. If cash accompanies the order, packing will be free. :: :: :: :: :: :: ::
